

Shear America salon is located at 516 West Ryan Street. Our phone number is 756-3639.

Shear America Salon lives by our core values; which speak to our commitment to excellence and professionalism. We make integrity and honesty govern our every action...with each other, our clients and our business partners.

The personality of Shear America is All-American, somewhat vintage/retro by design with an aspirational feel. We are a full service salon that offers haircut and styling services, color and texture services, deep and clarifying conditioning, manicures, pedicures, and paraffin dips. We also provide tanning by the Wolff tanning system and feature Australian Gold tanning products.

Shear America is not a spa or a budget salon. It is a high quality, family friendly salon that always puts our clients first.

Our stylists are from the area, well educated with years of salon experience. They perform their work with skill, creativity and insight. We are fortunate to have such a wonderful staff and equally fortunate to be in the Brillion community!

Shear America has seven locations though out Northeast Wisconsin. In addition to our Brillion salon, we are in the communities of Chilton, Hortonville, Mishicot, Shawano, Sheboygan and Sheboygan Falls.
